Chairman's Message

MR. FAROUK YOUSUF ALMOAYYED CHAIRMAN

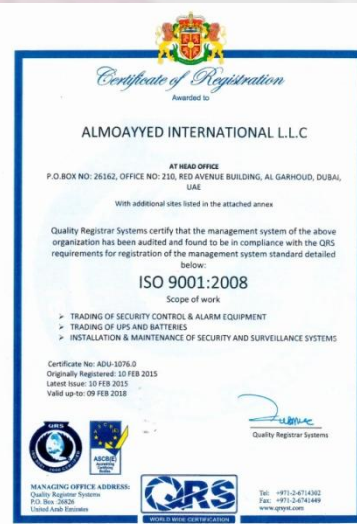

Almoayyed International Group, established in 1979, has grown over the past 35 years from a modest one-man shop into one of the most successful and fully diversified organization in the Kingdom of Bahrain with operations in Kingdom of Saudi Arabia, Qatar, United Arab Emirates and Oman.

We are led by a competent team of management and staff involved in providing sales, distribution and service facilities to key industry sectors and market segments from Information Technology, Office Automation, Integrated Engineering Solutions, Safety & Security Solutions, Electrical & Instrumentation Solutions, Ironmongery Solutions, Real Estate, F& B and Industrial Packaging solutions

Our proactive outlook towards the future, flexibility to respond to rapidly changing market and technological conditions continue to drive us to be the "pioneer, market leader and benchmark of quality" in every industry that we operate in.

We constantly strive to provide value-adding products and services that support the growth and diversification of Bahrain's economy and contribute to the social well-being of the community.

Our company stands poised atop a strong launch pad towards the future. We are fully geared to achieve new milestones and destined to touch new heights in excellence. Through our website, I invite you to experience the AIG corporate culture and see both our confidence and vision for Bahrain and the future.
